Airport SMS: Working For You

The Airport received 14 reports during the second quarter of 2014. A full breakdown of the second quarter can be found on Page 2.

Notable Improvements (Q2):

- Covered numerous open junction boxes in the T1 Bag Room;
- Installed crosswalk and ramps at Exit 18, Arriving Flights Drive, Terminal 1;
- Installed a concrete step near Gate C24, Rampside;
- Painted six new stop bars (signs) on the Vehicle Service Roadways, throughout the Non-Movement area; and
- Established a routine cleaning schedule of the T1 Bag Room (City-maintained areas).

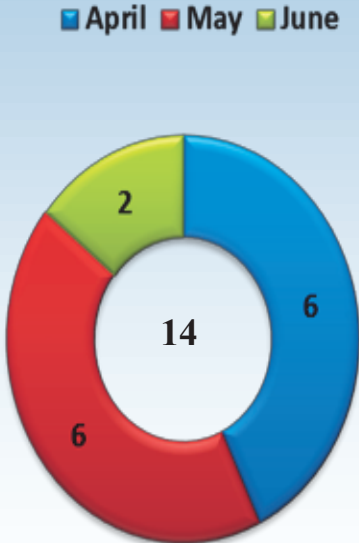

News You Can Use

On Saturday, June 28, 2014, the *FOD Brigade*, made up of 26 Airport, Airline and Tenant volunteers, supported by Airfield and Building Maintenance personnel, participated in the second annual STL FOD Walk. Focusing on the A Concourse, the Brigade collected numerous bags of trash, wooden pallets and other items. In addition, a team picked-up FOD along Tug Road from the Host Commissary to the beginning of the D Concourse in an effort to make STL a safer place to work and operate.

The FOD Walk was generously supported by AIG, AON Risk Solutions, Boeing Test and Evaluation – Military Tactical Flight Operations, Crawford, Murphy & Tilly, Inc. (CMT), Delta Air Lines, Inc., Embry-Riddle Aeronautical University, Lambert- St. Louis International Airport, and Millstone Bangert, Inc.
